Audit Committee Charter

(Adopted by the Board of Directors on May 3, 2017)

I. General Statement of Purpose

The general purposes of the Audit Committee of the Board of Directors (the “Audit Committee”) of Easterly Government Properties, Inc. (the “Company”) are to:

- assist the Board of Directors (the “Board”) in its oversight of (1) the integrity of the Company’s financial statements, (2) the Company’s compliance with legal and regulatory requirements, (3) the qualifications, independence and performance of the Company’s independent auditors, and (4) the performance of the Company’s internal audit function;
- decide whether to recommend to stockholders of the Company that they should appoint the Company’s independent auditors, and
- prepare the report required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement.

In addition to the specific powers and responsibilities delegated to the Audit Committee in this Charter, the Audit Committee shall also carry out and may exercise any other powers or responsibilities as are assigned by law, the Company’s Articles of Amendment and Restatement or Amended and Restated Bylaws, each as amended from time to time, or as may be delegated to it by the Board from time to time. The powers and responsibilities delegated by the Board to the Audit Committee in this Charter or otherwise shall be exercised and carried out by the Audit Committee as it deems appropriate without requirement of Board approval, and any decision (including any decision to exercise or refrain from exercising any of the powers delegated to the Audit Committee hereunder) shall be made by the Audit Committee in its sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Audit Committee shall have and may exercise all the powers and authority of the Board.

II. Composition

The Audit Committee shall consist of at least three (3) members of the Board, each of whom shall satisfy the independence requirements established by the New York Stock Exchange (“NYSE”) Listed Company Manual and Rule 10A-3 of the Securities Exchange Act of 1934.

Each member of the Audit Committee shall be financially literate (or shall become financially literate within a reasonable period of time after his or her appointment to the Audit Committee), as such qualification is interpreted by the Board in its business judgment. At least one member of the Audit Committee shall have accounting or related financial management expertise, as such qualification is interpreted by the Board in its business judgment. One or more members of the Audit Committee may qualify as an “audit committee financial expert” under the rules promulgated by the SEC.

The members of the Audit Committee shall be appointed annually by the Board and may be replaced or removed by the Board with or without cause. Resignation or removal of a director from the Board, for whatever reason, shall automatically and without any further action constitute resignation or

removal, as applicable, from the Audit Committee. Any vacancy on the Audit Committee, occurring for whatever reason, may be filled only by the Board. The Board shall designate one member of the Audit Committee to be Chairperson of the committee.

No member of the Audit Committee may simultaneously serve on the audit committee of more than three (3) issuers having securities registered under Section 12 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Audit Committee.

III. Compensation

A member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, the Board or any other committee established by the Board, receive directly or indirectly any consulting, advisory or other compensatory fee from the Company.

IV. Meetings

- The Audit Committee shall meet as often as it determines is appropriate to carry out its responsibilities under this Charter.
- A majority of the members of the Audit Committee shall constitute a quorum for purposes of holding a meeting and the Audit Committee may act by a vote of a majority of the members present at such meeting.
- In lieu of a meeting, the Audit Committee may act by unanimous written consent.
- The Chairperson of the Audit Committee, in consultation with the other committee members, may determine the frequency and length of the committee meetings and may set meeting agendas consistent with this Charter.
- The Chairperson or a majority of the members of the Audit Committee may call meetings of the Audit Committee.
- Following each of its meetings, the Audit Committee shall report on the meeting to the Board at the Board’s next regularly scheduled meeting, including a description of all actions taken by the Audit Committee at the meeting. The Audit Committee shall keep written minutes of its meetings and deliver a copy of such minutes to the Company’s corporate Secretary for inclusion in the corporate records.
- Periodically, the Audit Committee shall also meet separately with management, with internal auditors (or other personnel responsible for the internal audit function) and with the independent auditors.

V. Authority and Responsibilities

A. Annual Review of Charter

- The Audit Committee shall review and reassess the adequacy of this Charter annually and recommend to the Board any amendments or modifications to the Charter that the Audit Committee deems appropriate.

B. Annual Performance Evaluation of the Audit Committee

- At least annually, the Audit Committee shall evaluate its own performance and report the results of such evaluation to the Board.

C. Matters Relating to Selection, Performance and Independence of Independent Auditors

- The Audit Committee shall be directly responsible for the appointment, retention and termination, and for determining the compensation, of the Company's independent auditors engaged for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company. The Audit Committee may consult with management in fulfilling these duties, but may not delegate these responsibilities to management.
- The Audit Committee shall be directly responsible for oversight of the work of the independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) engaged for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company.
- The Audit Committee shall instruct the independent auditors that the independent auditors shall report directly to the Audit Committee.
- The Audit Committee shall pre-approve all auditing services and the terms thereof (which may include providing comfort letters in connection with securities underwritings) and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board (the "PCAOB")) to be provided to the Company by the independent auditors; provided, however, the pre-approval requirement is waived with respect to the provision of non-audit services for the Company if the "de minimis" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall report on all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.
- The Audit Committee shall review and approve the scope and staffing of the independent auditors' annual audit plan(s).
- The Audit Committee shall (1) request that the independent auditors provide the Audit Committee with the written disclosures and the letter required by PCAOB Rule 3526 ("Rule 3526"), (2) require that the independent auditors submit to the Audit Committee at least annually a formal written statement describing all relationships between the independent auditors or any of its affiliates and the Company or persons in financial reporting oversight roles at the Company that might reasonably be thought to bear on the independence of the independent auditors, (3) discuss with the independent auditors the potential effects of any disclosed relationships or services on the objectivity and independence of the independent auditors, (4) require that the independent auditors provide to the Audit Committee written affirmation that the

independent auditor is, as of the date of the affirmation, independent in compliance with PCAOB Rule 3520 and (5) based on such disclosures, statement, discussion and affirmation, take or recommend that the Board take appropriate action in response to the independent auditors' report to satisfy itself of the independent auditors' independence. In addition, before approving the initial engagement of any independent auditor, the Audit Committee shall receive, review and discuss with the audit firm all information required by, and otherwise take all actions necessary for compliance with the requirements of, the PCAOB, including Rule 3526. References to rules of the PCAOB shall be deemed to refer to such rules and to any substantially equivalent rules adopted to replace such rules, in each case as subsequently amended, modified or supplemented by the PCAOB.

- The Audit Committee shall evaluate the independent auditors' qualifications, performance and independence, and shall present its conclusions with respect to the independent auditors to the full Board. As part of such evaluation, at least annually, the Audit Committee shall:
 - (i) obtain and review a report or reports from the independent auditors describing (1) the independent auditors' internal quality-control procedures, (2) any material issues raised by the most recent internal quality-control review or peer review of the independent auditors or by any inspection, inquiry or investigation by government or professional authorities, within the preceding five years, regarding one or more independent audits carried out by the independent auditors, and any steps taken to address any such issues, and (3) in order to assess the independent auditors' independence, all relationships between the independent auditors and the Company;
 - (ii) review and evaluate the performance of the independent auditors and the lead partner; and
 - (iii) assure the regular rotation of the audit partners (including, without limitation, the lead and concurring partners) as required under the Exchange Act and Regulation S-X.

In this regard, the Audit Committee shall also (1) seek the opinion of management and the internal auditors of the independent auditors' performance and (2) consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm.

- The Audit Committee shall set clear policies with respect to the potential hiring of current or former employees of the independent auditors.

- The Audit Committee shall review and discuss with the independent auditors any audit problems or difficulties and management’s response thereto. This review shall include (1) any difficulties encountered by the independent auditors in the course of performing their audit work, including any restrictions on the scope of their activities or their access to information, (2) any significant disagreements with management and (3) a discussion of the responsibilities, budget and staffing of the Company’s internal audit function. K. Legal and Regulatory Compliance

- The Audit Committee shall discuss with management and the independent auditors the legal and regulatory requirements applicable to the Company and its subsidiaries and the Company's compliance with such requirements. After these discussions, the Audit Committee may, if it determines it to be appropriate, make recommendations to the Board with respect to the Company's policies and procedures regarding compliance with applicable laws and regulations.
