WASHINGTON--(BUSINESS WIRE)--Apr. 29, 2025-- Easterly Government Properties, Inc. (NYSE: DEA) (the "Company" or "Easterly"), a fully integrated real estate investment trust focused primarily on the acquisition, development and management of Class A commercial properties leased to the U.S. Government and its adjacent partners, announced today that it has acquired a 289,873 square foot facility 98% leased primarily to the District of Columbia Government (DC) (S&P: AA+) ("Local Gov - DC").

The LEED Silver and Energy Star rated facility, developed in 2006, has housed the DC Government since 2009 as they have since expanded and renewed numerous times within the building. The DC Government's most recent extension secured its tenancy through 2038 with an option to renew for an additional five years at fair market rent. The facility is located within a heavily invested, transit-oriented neighborhood within Northeast Washington, DC.

Key District services housed within this facility include the headquarters for DC's Public Schools and the Department of Energy & Environment. Both agencies have expanded their presence and headcount at the property since their original tenancy in 2009.

"This previously funded and highly accretive acquisition underscores our stated investment strategy to expand Easterly's portfolio with high creditworthy state and local government agencies," said Darrell Crate, President & CEO of Easterly Government Properties. "We are pleased to deliver strong run rate accretion to shareholders via government tenancy as the national emphasis on redistributing education resources from the federal to state level continues to grow."

Key tenants within the facility include:

Tenant	Leased SF	% of Leased SF	(Wtd. Avg.) Remaining Lease Term
District of Columbia Government	237,118	84%	12.9 years
U.S. Federal Government	26,327	9%	4.7 years
Private Tenants	20,299	7%	5.1 years
