**PROXY STATEMENT**

**FOR OUR 2016 ANNUAL MEETING OF STOCKHOLDERS  
to be held on May 9, 2016**

We are sending these proxy materials to our stockholders in connection with the solicitation of proxies by the Board of Directors, or the Board, of Easterly Government Properties, Inc., a Maryland corporation, for use at our 2016 annual meeting of stockholders to be held on Monday, May 9, 2016, at 1:00 p.m., Eastern Time, at 2101 L Street NW, Suite 650, Washington, D.C. 20037, or at any postponement or adjournment of the annual meeting. References in this proxy statement to “we,” “us,” “our,” “ours,” and the “Company” refer to Easterly Government Properties, Inc., unless the context otherwise requires.

**QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING**

**Who is entitled to vote at the annual meeting?**

Holders of record of our common stock, \$0.01 par value per share, at the close of business on March 29, 2016, the record date for the annual meeting, are entitled to receive notice of the annual meeting and to vote at the annual meeting. If you are a holder of record of our common stock as of the record date, you may vote the shares that you held on the record date even if you sell such shares after the record date. Each outstanding share as of the record date entitles its holder to cast one vote for each matter to be voted upon and, with respect to the election of directors, one vote for each director to be elected. Stockholders do not have the right to cumulate voting for the election of directors.

**What is the purpose of the annual meeting?**

At the annual meeting, you will be asked to vote on the following proposals:

- *Proposal 1:* the election of the seven director nominees named in this proxy statement to serve on our Board until our next annual meeting of stockholders and until their successors are duly elected and qualified; and
- *Proposal 2:* the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

You also may be asked to consider and act upon any other matters that may properly be brought before the annual meeting and at any adjournments or postponements thereof.

**What constitutes a quorum?**

The presence, in person or by proxy, of holders of a majority of the total number of outstanding shares entitled to vote at the annual meeting is necessary to constitute a quorum for the transaction of any business at the annual meeting. As of the record date, there were 24,168,379 shares outstanding and entitled to vote at the annual meeting.

Each share of common stock outstanding on the record date is entitled to one vote on each matter properly submitted at the annual meeting and, with respect to the election of directors, one vote for each director to be elected. Abstentions and “broker non-votes” (i.e., shares represented at the meeting held by brokers, as to which instructions have not been received from the beneficial owners or persons entitled to vote such shares and with respect to which, on a particular matter, the broker does not have discretionary voting power to vote such shares) will be counted for purposes of determining whether a quorum is present for the transaction of business at the annual meeting.

## [Table of Contents](#)

### **What vote is required to approve each proposal?**

In respect of Proposal 1, a director is elected if he or she receives a plurality of all the votes cast in the election of directors at the annual meeting at which a quorum is present. Abstentions and broker non-votes with respect to Proposal 1 will have no effect on the election of directors.

A majority of all of the votes cast at the annual meeting at which a quorum is present is required for approval of Proposal 2. Abstentions and broker non-votes with respect to Proposal 2 will have no effect on the votes for this proposal.

### **Can I change my vote after I submit my proxy card?**

If you cast a vote by proxy, you may revoke it at any time before it is voted by:

- filing a written notice revoking the proxy with our Secretary at our address;
- properly submitting to us a proxy with a later date; or
- appearing in person and voting by ballot at the annual meeting.

If you attend the annual meeting, you may vote in person whether or not you previously have given a proxy, but your presence (without further action) at the annual meeting will not constitute revocation of a previously given proxy. Unless you have received a legal proxy to vote the shares, if you hold your shares through a bank, broker or other nominee, that is, in “street name,” only that bank, broker or other nominee can revoke your proxy on your behalf.

You may revoke a proxy for shares held by a bank, broker or other nominee by submitting new voting instructions to the bank, broker or other nominee or, if you have obtained a legal proxy from the bank, broker or other nominee giving you the right to vote the shares at the annual meeting, by attending the annual meeting and voting in person.

### **How do I vote?**

**Voting in Person at the Annual Meeting.** If you hold your shares in your own name as a holder of record with our transfer agent, American Stock Transfer & Trust Company, LLC, and attend the annual meeting, you may vote in person at the annual meeting. If your shares are held by a bank, broker or other nominee, that is, in “street name,” and you wish to vote in person at the annual meeting, you will need to obtain a legal proxy from the bank, broker or other nominee that holds your shares of record.

**Voting by Proxy.** If your shares are registered directly in your name with our transfer agent, the proxy materials were mailed directly to you by us. In that case, you may instruct the proxy holders named in the enclosed proxy card how to vote your shares of common stock in one of the following ways:

**Vote online.** You can access proxy materials and vote at [www.viewproxy.com/easterlygvtprop/2016](http://www.viewproxy.com/easterlygvtprop/2016). To vote online, you must have a stockholder identification number provided in the enclosed proxy card.

**Vote by telephone.** You also have the option to vote by telephone by following the “Vote by Phone” instructions on the enclosed proxy card.

**Vote by regular mail.** If you would like to vote by mail, then please mark, sign and date your proxy card and return it promptly in the postage-paid envelope provided.

If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the beneficial owner of shares held in “street name,” and the proxy materials were forwarded to you by that organization. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. You should instruct your broker or nominee how to vote your shares by following the voting instructions provided by your broker or nominee.

## [Table of Contents](#)

*Even if you plan to attend the annual meeting, we recommend that you submit a proxy to vote your shares in advance so that your vote will be counted if you later are unable to attend the annual meeting.*

### **How is my vote counted?**

If you authorize your proxy to vote your shares electronically via the Internet or by telephone, or, if you properly marked, signed, dated and returned the proxy card mailed to you, the shares that the proxy represents will be voted in the manner specified on the proxy. If no specification is made, your shares will be voted “for” the election of the nominees for the directors named in this proxy statement and “for” ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. It is not anticipated that any matters other than those set forth in this proxy statement will be presented at the annual meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders. In addition, since no stockholder proposals or nominations were received on a timely basis and not withdrawn, no such matters will be brought to a vote at the annual meeting.

### **How does the Board recommend that I vote on each of the proposals?**

The Board recommends that you vote:

- **FOR Proposal 1:** the election of each of Darrell W. Crate, William C. Trimble, III, Michael P. Ibe, William H. Binnie, Cynthia A. Fisher, Emil W. Henry, Jr. and James E. Mead as directors to serve on our Board until our next annual meeting of stockholders and until their successors are duly elected and qualified; and
- **FOR Proposal 2:** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

### **What other information should I review before voting?**

Our 2015 annual report, including our consolidated financial statements for the fiscal year ended December 31, 2015, is being mailed to you concurrently with the mailing of this proxy statement. You may also obtain, free of charge, copies of our 2015 annual report and our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, which contains additional information about the Company, on our website at [www.easterlyreit.com](http://www.easterlyreit.com). Call the SEC at 1-800-SEC-0330 for further information on the public reference room. In addition, these reports and the other documents we file with the SEC are available at a website maintained by the SEC at <http://www.sec.gov>. The 2015 annual report and the Annual Report on Form 10-K, however, are not part of the proxy solicitation materials, and the information found on, or accessible through, our website is not incorporated into, and does not form a part of, this proxy statement or any other report or document we file with or furnish to the SEC.

### **Who is soliciting my proxy?**

This solicitation of proxies is made by and on behalf of the Board. We will pay the cost of the solicitation of proxies. In addition to the solicitation of proxies by mail, our directors, officers and employees may solicit proxies personally or by telephone. No arrangements or contracts have been made with any solicitors as of the date of this proxy statement, although we reserve the right to engage solicitors if we deem them necessary. Such solicitations may be made by mail, telephone, facsimile, e-mail or personal interviews.

**No person is authorized on our behalf to give any information or to make any representations with respect to the proposals other than the information and the representations contained in this proxy statement, and, if given or made, such information and/or representations must not be relied upon as having been authorized.**

## PROPOSAL 1: ELECTION OF DIRECTORS

The Board currently consists of seven members each serving for a term of one year and until their successors are duly elected and qualified. Pursuant to our charter, our directors will be elected annually by our stockholders to serve until the next annual meeting or until their successors are duly elected and qualified. Our bylaws provide that a majority of the entire Board may at any time increase or decrease the number of directors. However, the number of directors may never be less than the minimum number required by the Maryland General Corporation Law which is one and, except as set forth in our charter and our bylaws, more than 15.

At the 2016 annual meeting, all of the directors will be elected to serve until the 2017 annual meeting and until their successors are duly elected and qualified. The Board, upon the recommendation of the nominating and corporate governance committee, has nominated Darrell W. Crate, William C. Trimble, III, Michael P. Ibe, William H. Binnie, Cynthia A. Fisher, Emil W. Henry, Jr. and James E. Mead to serve as directors. Each of these nominees is a current director of the Company. The Board anticipates that each nominee will serve, if elected, as a director. However, if any nominee is unable to accept election, proxies voted in favor of such nominee will be voted for the election of such other person or persons as the Board may select.

We will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum. Abstentions and broker non-votes, if any, will have no effect on this proposal.

**The Board unanimously recommends that you vote “FOR” each of its director nominees.**

### **Director Independence**

Our Board has determined that each of the following, constituting a majority of our Board, is an “independent director” as defined by the NYSE rules: William H. Binnie, Cynthia A. Fisher, Emil W. Henry, Jr., and James E. Mead. Our independent directors will meet regularly in executive sessions without the presence of our officers and non-independent directors.

### **The Board and its Committees**

Our initial public offering was completed on February 11, 2015, at which time the Board was expanded to seven members and the committee members were appointed.

Our Board has established three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee. Each of these committees currently is composed exclusively of independent directors, in accordance with the NYSE listing standards. The principal functions of each committee are briefly described below. The current charters for each of the audit committee, compensation committee and nominating and corporate governance committee are available on our website at [www.easterlyreit.com](http://www.easterlyreit.com) under the “Investor Relations—Corporate Governance—Governance Guidelines” section. Additionally, our Board may from time to time establish certain other committees to facilitate the management of our company. The Board held four meetings in 2015. Our audit committee met five times during the period from February 11, 2015 (commencement of operations) to December 31, 2015. Our compensation committee met five times during the period from February 11, 2015 (commencement of operations) to December 31, 2015. Our nominating and corporate governance committee met three times during the period from February 11, 2015 (commencement of operations) to December 31, 2015. Each of our directors attended 100% of the aggregate of (i) the number of the meetings of the Board which were held during the period that such person served on the Board and (ii) the number of meetings of committees of the Board held during the period that such person served on such committee.

### **Audit Committee**

Our audit committee consists of three of our directors, each of whom is an independent director. The chairman of our audit committee, Mr. Mead, qualifies as an “audit committee financial expert” as that term is defined by the applicable SEC regulations and NYSE corporate governance listing standards. The Board has

## [Table of Contents](#)

determined that each of the audit committee members is “financially literate” as that term is defined by the NYSE corporate governance listing standards. We have an audit committee charter, which details the principal functions of the audit committee, including oversight related to:

- our accounting and financial reporting processes;
- the integrity of our consolidated financial statements;
- our systems of disclosure controls and procedures and internal control over financial reporting;
- our compliance with financial, legal and regulatory requirements;
- the performance of our internal audit function; and
- our overall risk assessment and management.

The audit committee is also responsible for engaging an independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, including all audit and non-audit services, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls. The audit committee also prepares the audit committee report required by SEC regulations to be included in this proxy statement. Additional information regarding the functions performed by our audit committee is set forth in the audit committee report. Mr. Mead is the chair and Ms. Fisher and Mr. Henry serve as members of the audit committee.

### ***Compensation Committee***

Our compensation committee consists of four of our directors, each of whom is an independent director. We have a compensation committee charter, which details the principal functions of the compensation committee, including the following:

- reviewing and approving on an annual basis the corporate goals and objectives relevant to our chief executive officer’s compensation, evaluating our chief executive officer’s performance in light of such goals and objectives and determining and approving the remuneration of our chief executive officer based on such evaluation;
- reviewing and approving the compensation of other senior officers;
- reviewing our executive compensation policies and plans;
- implementing and administering our incentive compensation and equity-based remuneration plans;
- assisting management in complying with our proxy statement and annual report disclosure requirements;
- producing a report on executive compensation to be included in our annual proxy statement, when required by applicable SEC rules; and
- reviewing, evaluating and recommending changes, if appropriate, to the remuneration for directors.

Mr. Binnie is the chair and Ms. Fisher, Mr. Henry and Mr. Mead serve as members of the compensation committee.

### ***Nominating and Corporate Governance Committee***

Our nominating and corporate governance committee consists of three of our directors, each of whom is an independent director. We have adopted a nominating and corporate governance committee charter that details the principal functions of the nominating and corporate governance committee, including:

- identifying and recommending to the full Board qualified candidates for election as directors and recommending nominees for election as directors at the annual meeting of stockholders;

## [Table of Contents](#)

- developing and recommending to the Board corporate governance guidelines and implementing and monitoring such guidelines;
- reviewing and making recommendations on matters involving the general operation of the Board, including board size and composition, and committee composition and structure;
- recommending to the Board nominees for each committee of the Board;
- annually facilitating the assessment of the Board’s performance, as required by applicable law, regulations and the NYSE corporate governance listing standards; and
- annually reviewing and making recommendations to the Board regarding revisions to the Corporate Governance Guidelines and the Code of Business Conduct and Ethics.

Ms. Fisher is the chair and Mr. Binnie and Mr. Henry serve as members of the nominating and corporate governance committee.

### **Director Compensation**

In connection with our initial public offering on February 11, 2015, our Board established a compensation program for our non-employee directors. Under this program, we paid to each of our non-employee directors in 2015 an annual retainer in an amount equal to \$175,000, consisting of \$75,000 payable in equal quarterly cash installments and a grant of shares of restricted stock having a value of \$100,000 at the closing of our initial public offering.

In order to encourage our non-employee directors to acquire a significant equity stake in us and to align our non-employee directors and stockholders, we expect to pay an annual retainer to our non-employee directors in each year beginning in 2016 an amount comprised of a cash component of \$75,000 and restricted stock grant with a value of \$75,000. The restricted stock grants issued at the time of our initial public offering will vest upon our 2016 annual stockholder meeting. Future restricted stock grants will be made following our annual stockholder meeting, beginning with the 2016 annual meeting, and will vest upon the earlier of the anniversary of the date of grant or the next annual stockholder meeting. We will also reimburse each of our directors for his or her travel expenses incurred in connection with his or her attendance at full Board and committee meetings.

Directors of our company who are also employees receive no additional compensation for their services as directors.

The following table sets forth information regarding the compensation paid to our non-employee directors during the fiscal year ended December 31, 2015:

<u>Name</u>	<u>Fees Earned or Paid in Cash (\$)</u>	<u>Stock Awards<sup>(1)</sup> (\$)</u>	<u>Total (\$)</u>
William H. Binnie	\$ 75,000	\$100,000	\$175,000
Cynthia A. Fisher	75,000	100,000	175,000
Emil W. Henry, Jr.	75,000	100,000	175,000
James E. Mead	75,000	100,000	175,000

(1) Upon the completion of our initial public offering on February 11, 2015, we granted shares of restricted stock to our non-employee directors, under our 2015 Equity Incentive Plan. Such awards will vest if they remain on the Board until the 2016 annual stockholder meeting. Amounts shown reflect the aggregate grant date fair value of shares of restricted stock issued to each director as determined pursuant to Financial Accounting Standards Board’s Accounting Standards Codification Topic 718 “Compensation — Stock Compensation,” or ASC Topic 718, disregarding the estimate of forfeitures.

## PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of the Board has appointed the accounting firm of PricewaterhouseCoopers LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2016. Stockholder ratification of the appointment of PricewaterhouseCoopers LLP is not required by law, the NYSE or the Company's organizational documents. However, as a matter of good corporate governance, the Board has elected to submit the appointment of PricewaterhouseCoopers LLP to the stockholders for ratification at the 2016 annual meeting. Even if the appointment is ratified, the audit committee, in its discretion, may select a different independent registered public accounting firm at any time if the audit committee believes that such a change would be in the best interest of the Company and its stockholders. If stockholders do not ratify the appointment of PricewaterhouseCoopers LLP, the audit committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of an independent registered public accounting firm. PricewaterhouseCoopers LLP has served as our independent registered public accounting firm since our formation in 2015 and is considered by our management to be well-qualified. PricewaterhouseCoopers LLP has advised us that neither it nor any member thereof has any financial interest, direct or indirect, in the Company or any of our subsidiaries in any capacity.

A representative of PricewaterhouseCoopers LLP will be present at the annual meeting, will be given the opportunity to make a statement at the annual meeting if he or she so desires and will be available to respond to appropriate questions.

A majority of all of the votes cast at the annual meeting at which a quorum is present is required for the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. We will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum. Abstentions and broker non-votes will have no effect on this proposal.

### Fee Disclosure

**Audit and Non-Audit Fees.** The aggregate fees billed to us by PricewaterhouseCoopers LLP, an independent registered public accounting firm, for the indicated services for the years ended December 31, 2015 and 2014 were as follows:

	2015	2014
Audit fees (1)	\$ 1,213,126	\$ 1,648,640
Audit related fees (2)	—	—
Tax fees (3)	49,540	102,115
All other fees	1,800	—
Total	\$ 1,264,466	\$ 1,750,755

- (1) Audit Fees consist of fees for professional services performed by PricewaterhouseCoopers LLP for the audit of our annual financial statements, including in connection with our initial public offering that occurred in February 2015 and the filing of our registration statement on Form S-11, and services that are normally provided in connection with statutory and regulatory filings or engagements.
- (2) Audit Related Fees consist of fees for professional services performed by PricewaterhouseCoopers LLP that are reasonably related to the performance of the audit and not included in the audit fees described above.
- (3) Tax Fees consist of fees for professional services performed by PricewaterhouseCoopers LLP with respect to tax compliance, tax advice and tax planning.

**Audit Committee Policy Regarding Pre-Approval of Audit and Permissible Non-Audit Services of Our Independent Registered Public Accounting Firm**

Our audit committee has established a policy that generally requires that all audit and permissible non-audit services provided by our independent registered public accounting firm will be pre-approved by the audit committee, or a designated audit committee member. These services may include audit services, audit-related services, tax services and other services. All permissible non-audit services provided by our independent registered public accounting firm have been pre-approved by the audit committee, or a designated audit committee member. Our audit committee has considered whether the provision of non-audit services is compatible with maintaining the accountants' independence and determined that it is consistent with such independence.

**The Board unanimously recommends a vote "FOR" the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm.**

## AUDIT COMMITTEE REPORT

*Notwithstanding anything to the contrary set forth in any of our previous or future filings under the Securities Act of 1933, as amended, or the Securities Act, or the Securities Exchange Act of 1934, as amended, or the Exchange Act, that might incorporate this proxy statement or future filing with the SEC, in whole or in part, the following report shall not be deemed incorporated by reference into any such filing.*

The undersigned members of the audit committee of the Board of Directors of Easterly Government Properties, Inc. submit this report in connection with the committee's review of the financial reports for the fiscal year ended December 31, 2015 as follows:

Based on the review and discussions referred to above, the audit committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015 for filing with the SEC.

Additional information relating to the corporate governance of the Company also is included in other sections of this proxy statement.

### Corporate Governance Profile

We have structured our corporate governance in a manner we believe closely aligns our interests with those of our stockholders. Notable features of our corporate governance structure include the following:

- our Board is not staggered, meaning that each of our directors is subject to re-election annually;
- a majority of our directors are independent for purposes of the NYSE’s corporate governance listing standards and Rule 10A-3 under the Exchange Act;
- at least one of our directors qualifies as an “audit committee financial expert” as defined by the SEC;
- we have opted out of the business combination and control share acquisition provisions of the Maryland General Corporation Law, or MGCL, and certain provisions of Title 3, Subtitle 8 of the MGCL, each of which we may not opt in without stockholder approval;
- we do not have a stockholder rights plan and, in the future, we do not intend to adopt a stockholder rights plan unless our stockholders approve in advance the adoption of a plan or, if adopted by our board of directors, we then submit the stockholder rights plan to our stockholders for a ratification vote within 12 months of adoption or the plan will terminate; and
- we have entered into a director nomination agreement, which is described in more detail under “Certain Relationships and Related Transactions—Director Nomination Agreement,” pursuant to which Michael P. Ibe will have the right to nominate one member of our Board and the right to designate one board observer who may attend meetings of the Board for so long as he owns shares of our common stock and limited partnership interests, or common units, in Easterly Government Properties LP, our operating partnership, representing at least 10% of our common stock on a fully diluted basis.

### Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines that address significant issues of corporate governance and set forth procedures by which the Board carries out its responsibilities. Among the areas addressed by the Corporate Governance Guidelines are director qualification standards, director responsibilities, Board structure, director access to management and independent advisors, director compensation, director orientation and continuing education, management succession, annual performance evaluation of the Board and committees, related person transaction approval and disclosure policy, and stockholder rights plan. Our nominating and corporate governance committee is responsible for, among other things, assessing and periodically reviewing the adequacy of the Corporate Governance Guidelines and will recommend, as appropriate, proposed changes to the Board.

### Director Independence

The Board has determined that each of our current directors, except for Messrs. Crate, Trimble and Ibe, has no material relationship with the Company (either directly or as a partner, stockholder or officer of an

## [Table of Contents](#)

organization that has a relationship with the Company) and is “independent” within the meaning of our director independence standards, which reflect the NYSE director independence standards, as currently in effect. Furthermore, the Board has determined that each of the members of each of the audit committee, the compensation committee and the nominating and corporate governance committee has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and is “independent” within the meaning of our director independence standards.

### **Code of Business Conduct and Ethics**

We have adopted a Code of Business Conduct and Ethics that applies to our officers, directors and employees. Among other matters, our Code of Business Conduct and Ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with laws, rules and regulations;
- prompt internal reporting of violations of the code to appropriate persons identified in the code; and
- accountability for adherence to the Code of Business Conduct and Ethics.

We intend to maintain the highest standards of ethical business practices and compliance with all laws and regulations applicable to our business. Our Code of Business Conduct and Ethics is posted on the “Investor Relations—Corporate Governance” section of our website at [www.easterlyreit.com](http://www.easterlyreit.com). We intend to disclose on our website any amendment to, or waiver of, any provisions of our Code of Business Conduct and Ethics that apply to any of our directors and executive officers that would otherwise be required to be disclosed under the rules of the SEC or the NYSE.

### **Audit Committee Financial Expert**

The Board has determined that James E. Mead qualifies as an “audit committee financial expert,” as defined in Item 401(h) of SEC Regulation S-K.

### **Communications with the Board**

Upon completion of the 2016 annual meeting of stockholders and the effectiveness of the appointment of the Board’s Lead Independent Director, our Board expects to adopt a stockholder communications policy pursuant to which stockholders and other interested parties may communicate with the non-employee directors, both individually and as a group, through the Board’s Lead Independent Director. In cases where stockholders or other interested parties wish to communicate directly with non-employee directors, messages can be sent in writing or by email to: William H. Binnie, Lead Independent Director, Easterly Government Properties, Inc., c/o Executive Vice President, Chief Financial Officer and Chief Operating Officer, 2101 L Street NW, Suite 650, Washington, D.C. 20037, Email: [leadindependentdirector@easterlyreit.com](mailto:leadindependentdirector@easterlyreit.com). Under the Company’s stockholder communications policy, the Company’s Executive Vice President, Chief Financial Officer and Chief Operating Officer will act as agent for the Lead Independent Director in facilitating direct communications to the non-employee directors and will forward such communications to the Lead Independent Director. Any such communications may be made anonymously.

### **Audit Committee Complaint Procedures**

Our audit committee has established procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal controls, or auditing matters and (ii) the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

## **Director Attendance at Annual Meetings**

All members of the Board are expected to attend our annual meetings of stockholders in person, unless doing so is impracticable because of unavoidable conflicts.

## **Identification of Director Candidates**

Our nominating and corporate governance committee assists the Board in identifying and reviewing director candidates to determine whether they qualify for membership on the Board and recommends director nominees to the Board to be considered for election at our annual meeting of stockholders. Our nominating and corporate governance committee has adopted a written policy on the criteria and process of identifying and reviewing director candidates.

At a minimum, the nominating and corporate governance committee must be satisfied that each director candidate (i) has experience at a strategic or policymaking level in a business, legal, accounting, government, non-profit or academic organization of high standing, (ii) is highly accomplished in his or her respective field, (iii) is well regarded in the community and shall have a reputation for the highest ethical and moral standards and (iv) has sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards on which the nominee may serve.

In addition to the minimum qualifications for each nominee set forth above, the nominating and corporate governance committee must recommend that the Board select persons for nomination to help ensure that (i) a majority of the Board will be “independent” in accordance with the standards established pursuant to Section 303A of the NYSE Listed Company Manual, (ii) each of its audit, compensation and nominating and corporate governance committees will be comprised entirely of independent directors, and (iii) at least one member of the audit committee will have accounting or related financial management expertise.

Finally, in addition to any other standards the nominating and corporate governance committee may deem appropriate from time to time for the overall structure and composition of the Board, the nominating and corporate governance committee may, but is not required to, consider (i) whether the nominee has direct experience in the real estate industry, particularly in the office real estate or government-leasing industry, and (ii) whether the nominee, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience.

Our nominating and corporate governance committee may consider director candidates recommended by our stockholders. Our nominating and corporate governance committee will apply the same standards in considering candidates submitted by stockholders as it does in evaluating candidates submitted by members of the Board. Any recommendations by stockholders are to follow the procedures outlined under “Stockholder Proposals” in this proxy statement and should provide the reasons supporting a candidate’s recommendation, the candidate’s qualifications and the candidate’s written consent to being considered as a director nominee. No director candidates were recommended by our stockholders for election at the 2016 annual meeting.

## **Board Leadership Structure**

Our Board currently is comprised of four independent and three non-independent directors. Darrell W. Crate serves as Chairman of the Board and Michael P. Ibe serves as Vice Chairman of the Board. Upon completion of the 2016 annual meeting, the Board has appointed William H. Binnie, one of the independent directors, to serve as Lead Independent Director. We believe that the number of independent, experienced directors that make up our Board, along with the independent oversight of our Lead Independent Director, will benefit the Company and its stockholders.

We recognize that different board leadership structures may be appropriate for companies in different situations, and that no one structure is suitable for all companies. Our current Board leadership structure is optimal for us because it demonstrates to our employees and other stakeholders that the Company is under strong

## [Table of Contents](#)

leadership. Our Corporate Governance Guidelines require the independent directors to meet at regularly scheduled executive sessions without management participation and at least once each year.

Upon his appointment, the Lead Independent Director is expected to have the following responsibilities:

- presiding at all meetings of the Board at which the Chairman and Vice Chairman is not present, including executive sessions of independent directors;
- serving as liaison between the Chairman and the independent directors;
- approving information sent to our Board;
- approving Board meeting agendas;
- approving Board meeting schedules to assure that there is sufficient time for discussion of all agenda items; and
- if requested by major stockholders, ensuring that he or she is available for consultation and direct communication.

Our Lead Independent Director also will have the authority to call meetings of the independent directors.

We believe that the Lead Independent Director, upon his appointment, will become an integral part of the Board's structure, promoting strong, independent oversight of our management and affairs.

### **Executive Sessions of Non-Management Directors**

Our Corporate Governance Guidelines require the independent directors to meet at regularly scheduled executive sessions without management participation and at least once each year. The Lead Independent Director will preside at those meetings. In accordance with such requirement, our independent directors meet in executive sessions from time to time on such a basis.

### **Anti-Hedging and Anti-Pledging Policy**

None of our executives have engaged in any hedging transactions with respect to our stock and none of our executives have engaged in any pledging transactions with respect to our stock except as noted in "Security Ownership of Certain Beneficial Owners and Management." Under our policies no executive or director may buy or sell puts, calls, other derivative securities of the Company or any derivative securities that provide the economic equivalent of ownership of any of the Company's securities or an opportunity, direct or indirect, to profit from any change in the value of the Company's securities or engage in any other hedging transaction with respect to the Company's securities, at any time unless such transaction has been approved by the nominating and corporate governance committee.

We also have an anti-pledging policy whereby no executive or director may pledge Company securities or securities convertible into Company securities as collateral for a loan (or modify an existing pledge) unless the pledge has been approved by the nominating and corporate governance committee, other than common units received as part of the formation transactions in accordance with a contractual right to pledge such common units under the terms of the applicable contribution agreement.

### **Risk Oversight**

Our Board is responsible for overseeing the Company's risk management process. The Board focuses on the Company's general risk management strategy and the most significant risks facing the Company, and ensures that appropriate risk mitigation strategies are implemented by management. The Board also is apprised of particular risk management matters in connection with its general oversight and approval of corporate matters.

---

## [Table of Contents](#)

The Board has delegated to the audit committee oversight of the Company's risk management process. Among its duties, the audit committee reviews with management (a) the Company policies with respect to risk assessment and management of risks that may be material to the Company, (b) the Company's system of internal controls over financial reporting and (c) the Company's compliance with legal and regulatory requirements. Our other Board committees also consider and address risk as they perform their respective committee responsibilities. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk.

In addition, our compensation committee considers the risks to the Company's stockholders and to achievement of our goals that may be inherent in the Company's compensation program.

The Company's management is responsible for day-to-day risk management, including the primary monitoring and testing function for company-wide policies and procedures, and management of the day-to-day oversight of the risk management strategy for the ongoing business of the Company. This oversight includes identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, and compliance and reporting levels.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing the Company and that our Board leadership structure supports this approach.

**EXECUTIVE COMPENSATION**

We are an “emerging growth company” as defined under the Jumpstart Our Business Startups (JOBS) Act. As such, we are permitted to meet the disclosure requirements of Item 402 of Regulation S-K by providing the reduced disclosures required of a smaller reporting company.

**Summary Compensation Table**

The following table sets forth information regarding the compensation paid to our chief executive officer and each of our two other most highly compensated executive officers during the fiscal year ended December 31, 2015, whom we refer to collectively as our “named executive officers.”

**Narrative Disclosure to Summary Compensation Table****2015 Grants under our Equity Incentive Plan**

On May 6, 2015, our Board approved the issuance of 891,000 LTIP units to members of our management team and eligible employees under our 2015 Equity Incentive Plan. Earned awards (if any) will vest 50% on February 15, 2018 and 50% on February 6, 2019, subject to our achieving certain absolute and relative total shareholder returns and the recipient’s continued employment with us. Vesting will be accelerated in the event of a change in control, termination of employment by us without cause, or termination of employment by the award recipient for good reason, death, disability or retirement. If there is a change in control prior to February 15, 2018, earned awards will be calculated based on total shareholder return performance up to the date of the change in control. The LTIP unit awards (i) are subject to forfeiture to the extent awards are not earned and (ii) prior to the performance measurement date are only entitled to one-tenth (10%) of the regular quarterly distributions payable on common units. We measure the LTIP unit awards at the fair value on date of grant. The LTIP units awarded to our named executive officers in 2015 are set forth in the Summary Compensation Table above and the Outstanding Equity Awards at Fiscal Year-End 2015 table below.

## [Table of Contents](#)

### 2015 Annual Bonuses

Our named executive officers are eligible to earn annual discretionary cash performance bonuses. Eligibility to receive these cash bonuses is expected to incentivize our named executive officers to strive to attain company and/or individual performance goals that further our interests and the interests of our stockholders. The applicable terms and conditions of the cash bonuses are determined by our compensation committee.

The bonuses paid to our named executive officers for 2015 are set forth in the Summary Compensation Table above.

### Other Elements of Compensation

*Employee Benefits and Perquisites.* Our full-time employees are eligible to participate in health and welfare benefit plans, such as medical, dental, life and long-term disability insurance. Pursuant to the terms of his employment agreement, Mr. Trimble is also entitled to certain perquisites. See “—Severance and Change in Control Benefits.”

*401(k) Plan.* The Internal Revenue Code of 1986, as amended, allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to a 401(k) plan. We established a 401(k) retirement savings plan for our employees, including our named executive officers, who satisfy certain eligibility requirements. Our named executive officers are eligible to participate in the 401(k) plan on the same terms as other full-time employees.

### Outstanding Equity Awards at Fiscal Year-End 2015

The following table sets forth certain information with respect to all outstanding equity awards held by each named executive officer as of the fiscal year ended December 31, 2015.

Name	Equity Incentive Plan Awards	
	Number of Unearned Shares, Units or Other Rights That Have Not Vested (#)(1)(2)	Market or Payout Value of Unearned Shares, Units or Other Rights That Have Not Vested (\$)(1)
William C. Trimble, III	694,073	\$ 11,924,171
Michael P. Ibe	463,402	7,961,242
Darrell W. Crate	463,402	7,961,242

- (1) The number and market or payout value of the equity incentive plan awards is based on the amount that would have been earned pursuant to the 2015 LTIP awards if our performance period had ended on December 31, 2015.
- (2) On May 6, 2015, these named executive officers received LTIP units. Earned awards (if any) will vest 50% on February 15, 2018 and 50% on February 6, 2019, subject to our achieving certain absolute and relative total shareholder returns and the recipient’s continued employment with us. Vesting will be accelerated in the event of a change in control, termination of employment by us without cause, or termination of employment by the award recipient for good reason, death, disability or retirement. If there is a change in control prior to February 15, 2018, earned awards will be calculated based on total shareholder return performance up to the date of the change in control. The LTIP unit awards (i) are subject to forfeiture to the extent awards are not earned and (ii) prior to the performance measurement date are only entitled to one-tenth (10%) of the regular quarterly distributions payable on common units.

## Severance and Change in Control Benefits

We entered into an employment agreement with William C. Trimble, III, our chief executive officer and president, in connection our initial public offering in February 2015.

The agreement with Mr. Trimble has a term of three years beginning on the effective date of January 30, 2015. The agreement will automatically extend for an additional one-year term at the expiration of the initial term and the anniversary of such initial term unless either party provides written notice of non-renewal no later than 180 days prior to the expiration of the initial term or the one-year extended term. Under the terms of the agreement, Mr. Trimble is entitled to receive an annual base salary of \$250,000.

Mr. Trimble's agreement also provides for bonuses to be determined by the compensation committee of our Board, in its sole discretion, based on such factors relating to the performance of Mr. Trimble or us as it deems relevant. The agreement also provides eligibility for vacation and for participation in various employee benefits such as health, dental, life and disability insurance, the 2015 Equity Incentive Plan and Section 401(k) plan.

Mr. Trimble's employment agreement provides that upon termination of his employment by us without "cause" (as defined in his employment agreement) or by Mr. Trimble for "good reason" (as defined in his employment agreement), subject to him signing a separation agreement and mutual release, Mr. Trimble will be entitled to the following severance payments and benefits:

- a lump sum cash payment equal to six months of his base salary at the time of termination;
- a prorated portion of the annual bonus for the year of termination, calculated based on his target bonus for such year;
- a lump sum cash payment equal to half of the annual premium payable by us for his health and dental insurance; and
- accelerated vesting of all equity grants subject to only time-based vesting based on continued employment, with the vesting of equity grants with performance vesting only accelerated to the extent provided by the applicable award agreement.

Mr. Trimble's employment agreement does not provide for any tax gross ups and, in the event Mr. Trimble becomes subject to the Section 280G golden parachute excise tax under Section 4999 of the Code, the amounts payable as described above would be reduced to the level so that the excise tax will not apply, but only if such reduction would result in a greater after-tax amount to the executive.

All of the cash severance payments described above are to be made as lump sum payments within 30 days after the date of termination of Mr. Trimble's employment. However, to the extent necessary to avoid the imposition of an additional tax under Section 409A of the Code, severance pay and benefits will be delayed until six months and one day after termination during which time the payments will accrue interest at the short-term applicable federal rate.

Mr. Trimble's employment agreement also provides that in the event his employment is terminated on account of his death or disability, Mr. Trimble or his beneficiary in the case of death will receive the following payments:

- a prorated portion of the annual bonus payable for the year of such termination, calculated based on actual achievement of applicable performance metrics for the applicable year; and
- accelerated vesting of all equity grants subject to only time-based vesting based on continued employment, with the vesting of equity grants with performance vesting only accelerated to the extent provided by the applicable award agreement.

## [Table of Contents](#)

Under separate agreements, each of our named executive officers is subject to certain restrictive covenants, including non-competition and non-solicitation covenants during their employment with us and for twelve months after termination of employment. As Mr. Ibe currently resides in the State of California where, generally, noncompetition agreements are not enforceable, his agreement does not include a non-competition covenant following termination of his employment with us.

Pursuant to the terms of the 2015 LTIP awards, vesting of LTIP units will be accelerated in the event of a change in control, termination of employment by us without cause, or termination of employment by the award recipient for good reason, death, disability or retirement. If there is a change in control prior to February 15, 2018, earned awards will be calculated based on total shareholder return performance up to the date of the change in control.

### **Executive and Director Compensation Process**

Our compensation committee is scheduled to meet several times during the current year in connection with the consideration and determination of executive compensation. As the timing of many compensation decisions follow a predictable annual schedule, regular meetings and general agenda topics are scheduled well in advance by our compensation committee. Special meetings are scheduled as needed by our compensation committee, and specific meeting agendas are prepared by the chair of our compensation committee and our chief executive officer and president, although they reflect the direction of the full compensation committee. In certain circumstances, our compensation committee may also take actions by written consent to address compensation matters that have been previously discussed and/or are summarized by our chief executive officer and president, a consultant engaged by our compensation committee or other advisor to us or our compensation committee. Our compensation committee has the authority to determine all compensation payable to our executive officers. Additionally, our compensation committee engaged FPL Associates, L.P., or FPL, to review our policies and procedures with respect to executive compensation and assist our compensation committee in implementing and maintaining compensation plans.

The following is a non-exhaustive list of items that we expect our compensation committee will consider in formulating our compensation philosophy and applying that philosophy to the implementation of our overall compensation program for named executive officers and other employees:

- attraction and retention of talented and experienced executives in our industry;
- motivation of our executives whose knowledge, skills and performance are critical to our success;
- alignment of the interests of our executive officers and stockholders by motivating executive officers to increase stockholder value and rewarding executive officers when stockholder value increases; and
- encouragement of our executives to achieve meaningful levels of ownership of our stock.

Our Board and compensation committee review our director compensation. Our Board has the authority to approve all compensation payable to our directors, although the compensation committee is responsible for making recommendations to our Board regarding this compensation.

### **Compensation Committee Interlocks and Insider Participation**

During 2015, the following directors, all of whom are independent directors, served on our compensation committee: William H. Binnie, Cynthia A. Fisher, Emil W. Henry, Jr. and James E. Mead. None of our executive officers serve as a member of a board of directors or compensation committee, or other committee serving an equivalent function, of any other entity that has one or more of its executive officers serving as a member of our Board or compensation committee.

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table presents information regarding the beneficial ownership of shares of our common stock and common units in our operating partnership as of April 4, 2016 with respect to:

- each of our directors;
- each of our executive officers;
- each person known by us to be the beneficial owner of 5% or more of the outstanding shares of our common stock or the outstanding shares of our common stock and common units in our operating partnership; and
- all of our directors and executive officers as a group.

Beneficial ownership of shares and common units is determined under rules of the SEC and generally includes any shares or common units, as applicable, over which a person exercises sole or shared voting or investment power. Except as noted by footnote, and subject to community property laws where applicable, we believe based on the information provided to us that the persons and entities named in the table below have sole voting and investment power with respect to all shares of our common stock and common units in our operating partnership shown as beneficially owned by them. Shares of our common stock and common units in our operating partnership that a person has the right to acquire within 60 days of April 4, 2016 are deemed to be outstanding and beneficially owned by the person having the right to acquire such shares or common units for purposes of the table below, but are not deemed outstanding for the purpose of computing the percentage of beneficial ownership for any other person.

As of April 4, 2016, there were 24,168,379 shares of our common stock outstanding and 39,711,818 common units of our operating partnership outstanding, including common units in our operating partnership owned by us.

These shares and common units will be valued based on the volume weighted average closing price of our shares of common stock for the 30 trading-day period prior to the liquidation and distributed in accordance with the terms of the respective Easterly Funds' partnership agreement, which provide for the payment of incentive distributions to the general partners of the Easterly Funds that will in turn be allocated to certain of our executive officers, directors and their affiliates at such time. Officers, directors and persons who own more than 10% of a registered class of our equity securities are required by SEC regulation to furnish us with copies of all Section 16(a) forms that they file. Based on our records and other information, we believe that all of the reporting persons filed all the applicable SEC reports required for 2015.

## CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

### Formation Transactions

Each property acquired by us through our operating partnership in connection with our initial public offering was previously owned by the Easterly Funds or by Western Devcon. In addition, in connection with the formation transactions, the owner of the management entities, which is in turn owned by Darrell W. Crate, our Chairman, contributed all of the interests in the management entities to our operating partnership. The Easterly Funds received as consideration for the contribution of the property-owning subsidiaries an aggregate of 3,308,000 shares of common stock and 8,635,714 common units. In exchange for the contribution by Western Devcon of its interests in the properties being contributed as part of the formation transactions, Western Devcon, or its beneficial owner, Michael P. Ibe, a director and our Executive Vice President - Development and Acquisitions, received 5,759,819 common units, valued at approximately \$86.4 million. The owner of the management entities received as consideration for the contribution of the management entities an aggregate of 1,135,406 common units in our operating partnership, valued at approximately \$17.0 million.

### Concurrent Private Placement

Concurrently with the completion of our initial public offering and the formation transactions, the Easterly Funds acquired 7,033,712 shares of common stock in a private placement at a price per share of \$15.00, the initial public offering price, for an aggregate purchase price of approximately \$105.5 million. No fees, discounts or selling commissions were paid to the underwriters in connection with any sale of common stock through the private placement.

### Partnership Agreement

In connection with the formation transactions and our initial public offering, we entered into an amended and restated partnership agreement of our operating partnership, which we refer to as the partnership agreement. The partnership agreement provides that Easterly Government Properties, Inc. may not transfer any of its interest in our operating partnership, withdraw as general partner of our operating partnership or consummate a fundamental transaction, including a merger, consolidation or sale of all or substantially all of its assets, subject to certain limited exceptions, without partnership approval, as such term is defined in the partnership agreement. Partnership approval is obtained when the sum of (a) the number of common units issued in the formation transactions and consenting to the transaction that are held by Western Devcon, the Easterly Funds and Easterly Capital, LLC, plus (b) the product of (x) the number of common units held by Easterly Government Properties, Inc. and its subsidiaries multiplied by (y) the percentage of the votes that were cast in favor of the transaction by the holders of shares of our common stock, exceeds 50% of the aggregate number of common units issued in the formation transactions and common units held by Easterly Government Properties, Inc. and its subsidiaries outstanding at such time. This right to vote by certain holders of common units on a transfer or assignment of Easterly Government Properties, Inc.'s interest in our operating partnership, withdrawal as general partner of our operating partnership and consummation of a fundamental transaction will permanently terminate at such time as we own more than 85% of the aggregate of (a) the outstanding common units held by us and (b) the common units issued in the formation transactions that are held by Western Devcon, the Easterly Funds and Easterly Capital, LLC, their respective affiliates and direct or indirect investors. As of April 4, 2016, Western Devcon, the Easterly Funds and Easterly Capital, LLC owned an aggregate of approximately 39.1% of the outstanding common units and Easterly Government Properties, Inc. owned approximately 60.9% of the outstanding common units.

Our interest in our operating partnership generally entitles us to share in cash distributions from, and in the profits and losses of, our operating partnership in proportion to our percentage ownership. We generally have the exclusive power under the partnership agreement to manage and conduct the business and affairs of our operating partnership, subject to certain approval and voting rights of the limited partners.

## **DEA - Pleasanton Acquisition**

On October 21, 2015, we acquired a 42,480 square foot Drug Enforcement Administration regional laboratory in Pleasanton, CA that is leased to the GSA for a 20-year term. The property was acquired from Western Devcon, or its beneficial owner, Michael P. Ibe, a director and our Executive Vice President - Development and Acquisitions, in exchange for 12,500 common units, valued at approximately \$219,625, based on the closing price of our common stock on October 21, 2015.

## **Tax Protection Agreement**

In connection with the completion of our initial public offering, we entered into a tax protection agreement with Michael P. Ibe, a director and our Executive Vice President - Development and Acquisitions, under which we agreed to indemnify Mr. Ibe for any taxes incurred as a result of a taxable sale of the properties contributed by Western Devcon in the formation transactions for a period of eight years after the closing of our initial public offering and the formation transactions. We also agreed in the tax protection agreement with Mr. Ibe to use the “traditional method” of making allocations under Section 704(c) of the Code for the eight-year period.

Concurrently with the DEA – Pleasanton acquisition, we entered into another tax protection agreement with Mr. Ibe under which we agreed to indemnify Mr. Ibe for any taxes incurred as a result of a taxable sale of the DEA – Pleasanton property for a period of eight years after the closing of the acquisition and to offer Mr. Ibe and certain affiliates of Mr. Ibe the opportunity to guarantee, in the aggregate, up to approximately \$15.7 million of indebtedness of our operating partnership for two years following the contribution of the DEA – Pleasanton property and up to approximately \$7.2 million of indebtedness thereafter until the eighth anniversary of the closing of the acquisition, subject to certain conditions. The Company also agreed in the tax protection agreement with Mr. Ibe to use the “traditional method” of making allocations under Section 704(c) of the Code for the eight-year period.

## **Employment Agreements**

We entered into an employment agreement with Mr. Trimble on January 30, 2015 and an employment agreement with Ms. Baivier on May 12, 2015. These agreements provide certain benefits to Mr. Trimble and Ms. Baivier. We may enter into similar agreements with certain executive officers that we hire in the future.

## **Equity Incentive Plan**

In connection with our initial public offering, our Board adopted, and our stockholder approved, our 2015 Equity Incentive Plan, under which we may grant cash and equity incentive awards to our executive officers, non-employee directors and eligible employees. In connection with our initial public offering, we issued an aggregate of 26,667 shares of restricted common stock to our non-employee directors pursuant to the 2015 Equity Incentive Plan. In addition, on May 6, 2015, our Board approved the issuance of 891,000 LTIP units to members of our management team and eligible employees under our 2015 Equity Incentive Plan. See “Executive Compensation—Summary Compensation Table—2015 Grants under our Equity Incentive Plan”.

## **Incentive Distributions in Easterly Fund I and Easterly Fund II**

Easterly Fund I and Easterly Fund II will remain outstanding as holders of shares of common stock and common units in our operating partnership issued in the formation transactions and the concurrent private placement until on or about May 11, 2016. At such time, shares of common stock and common units in our operating partnership held by each of Easterly Fund I and Easterly Fund II will be distributed to investors in Easterly Fund I and Easterly Fund II, and, in connection with such distribution, certain of our directors and executive officers may be entitled to receive additional shares of our common stock and/or common units from the Easterly Funds, and at no direct cost to us.

## **Registration Rights**

At the time of our initial public offering, we entered into two registration rights agreements pursuant to which Michael P. Ibe, the Easterly Funds and Easterly Capital, LLC have the right to cause us to register with the SEC the resale of the shares of common stock that they received in the formation transactions and the concurrent private placement or the resale or primary issuance of the shares of common stock that they may receive in exchange for the common units that they received in the formation transactions and facilitate the offering and sale of such shares. An aggregate of 10,341,712 shares of common stock acquired in the formation transactions and the private placement at the time of our initial public offering and 15,530,939 shares of common stock potentially issuable upon exchange of common units issued in the formation transactions are subject to the registration rights agreement.

In connection with the acquisition of DEA – Pleasanton, we entered into another registration rights agreement pursuant to which Mr. Ibe will have the right to cause us to register with the SEC the resale or primary issuance of the shares of common stock that Mr. Ibe may receive in exchange for the common units received in the DEA – Pleasanton acquisition and facilitate the offering and sale of such shares.

## **Director Nomination Agreement**

Concurrent with the formation transactions, we entered into a director nomination agreement with Michael P. Ibe providing Mr. Ibe with the right to designate one director to our Board and the right to designate one board observer who may attend all meetings of our Board. This right will terminate at such time as Mr. Ibe or any entity controlled by Mr. Ibe owns an aggregate number of shares of our common stock and common units in our operating partnership representing less than 10% of the then outstanding shares of our common stock on a fully-diluted basis. Mr. Ibe is the current designee to our Board pursuant to the terms of the director nomination agreement.

## **Liquidation of USGP II Investor, LP**

In connection with the liquidation of USGP II Investor, LP, all of the common units and shares of our common stock previously held by USGP II Investor, LP were transferred to USGP II (Parallel) Fund LP and U.S. Government Properties Income & Growth Fund II, LP. Concurrent with the transfer, we entered into, on December 23, 2015, amendments to the Easterly Fund II contribution and pledge agreements, pursuant to which USGP II (Parallel) Fund LP and U.S. Government Properties Income & Growth Fund II, LP agreed to assume jointly and severally all of the obligations of USGP II Investor, LP under such agreements and to provide the same security as previously provided.

## **Ownership Limit Waivers**

Our charter prohibits any person or entity from actually or constructively owning shares in excess of 7.1% (in value or in number of shares, whichever is more restrictive) of the outstanding shares of each class and series of our stock, or 7.1% in value of the aggregate of the outstanding shares of all classes and series of our stock. In connection with the formation transactions and the concurrent private placement, our board of directors granted waivers from the ownership limit contained in our charter to Michael P. Ibe, U.S. Government Properties Income & Growth Fund, LP and U.S. Government Properties Income & Growth Fund II, LP to own up to approximately 21%, 22% and 28%, respectively, of our outstanding common stock in the aggregate. We do not expect that the issuance of these waivers will adversely affect our ability to qualify as a REIT.

## **Review and Approval of Future Transactions with Related Persons**

Our Board has approved a Related Person Transaction Approval and Disclosure Policy for the review, approval or ratification of any related person transaction. Under this policy all related person transactions, other than a transaction for which an obligation to disclose under Item 404 of Regulation S-K (or any successor

---

provision) arises solely from the fact that a beneficial owner, other than the affiliates of our predecessor, of more than 5% of a class of the company's voting securities (or an immediate family member of any such beneficial owner) has an interest in the transaction, must be reviewed and approved by a majority of the disinterested directors on our Board in advance of us or any of our subsidiaries entering into the transaction; provided that, if we or any of our subsidiaries enter into a transaction without recognizing that such transaction constitutes a related person transaction, the approval requirement will be satisfied if such transaction is ratified by a majority of the disinterested directors on the Board promptly after we recognize that such transaction constituted a related person transaction. Disinterested directors are directors that do not have a personal financial interest in the transaction that is adverse to our financial interest or that of our stockholders. The term "related person transaction" refers to a transaction required to be disclosed by us pursuant to Item 404 of Regulation S-K (or any successor provision) promulgated by the SEC.

## OTHER MATTERS

### Solicitation of Proxies

We will pay the cost of solicitation of proxies. Our directors, officers and employees may solicit proxies personally, by telephone, via the Internet or by mail without additional compensation for such activities. We also will request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send a proxy statement to and obtain proxies from such beneficial owners. We will reimburse such holders for their reasonable expenses. No arrangements or contracts have been made with any solicitors as of the date of this proxy statement, although we reserve the right to engage solicitors if we deem them necessary.

### Stockholder Proposals

Stockholders who, in accordance with the Rule 14a-8 under the Exchange Act, wish to present proposals for inclusion in the proxy materials to be distributed by us in connection with our 2017 annual meeting must submit their proposals to us on or before December 12, 2016.

Apart from the SEC's Rule 14a-8 that addresses the inclusion of stockholder proposals in our proxy materials, under our bylaws, certain procedures are provided that a stockholder must follow to nominate persons for election as directors or to introduce an item of business at an annual meeting of stockholders. These procedures provide that nominations for director nominees and/or an item of business to be introduced at an annual meeting of stockholders must be timely submitted in writing to the Secretary of the Company, at Easterly Government Properties, Inc., 2101 L Street NW, Suite 650, Washington, D.C. 20037. To be considered timely, we must receive the notice of your intention to introduce a nomination or proposed item of business at our annual meeting:

- not earlier than the 150<sup>th</sup> day nor later than 5:00 p.m., New York time, on the 120<sup>th</sup> day prior to the first anniversary of the date of the notice for the preceding year's annual meeting; or
- not earlier than the 150<sup>th</sup> day prior to the date of the annual meeting and not later than 5:00 p.m., New York time, on the later of the 120<sup>th</sup> day prior to the date of such annual meeting, as originally convened, or the tenth day following the day on which public announcement of the date of such meeting is first made, in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting.

Assuming that our 2017 annual meeting is not advanced or delayed by more than 30 days from the first anniversary of the date of the 2016 annual meeting, we must receive notice of your intention to introduce a nomination or other item of business at the 2017 annual meeting after November 12, 2016 and no later than 5:00 p.m., New York time, on December 12, 2016.

### Attendance at the Meeting

All stockholders of record of shares of common stock at the close of business on the record date, or their designated proxies, are authorized to attend the annual meeting. If you are not a stockholder of record but hold shares through a broker, bank or other nominee, you should provide proof of beneficial ownership as of the record date, such as an account statement reflecting your stock ownership as of the record date, a copy of the voting instruction card provided by your broker, bank or other nominee, or other similar evidence of ownership. If you do not have proof of ownership, you may not be admitted to the annual meeting. Each stockholder and proxy may be asked to present a valid government-issued photo identification, such as a driver's license or passport, before being admitted. Cameras, recording devices and other electronic devices will not be permitted, and attendees may be subject to security inspections and other security precautions.

### **Householding of Proxy Materials**

If you and other residents at your mailing address own shares of common stock in street name, your broker, bank or other nominee may have sent you a notice that your household will receive only one annual report, Proxy Notice, notice of annual meeting and/or proxy statement. This procedure, known as "householding," is intended to reduce the volume of duplicate information stockholders receive and also reduce our printing and postage costs. Under applicable law, if you consented or were deemed to have consented, your broker, bank or other nominee may send one copy of our annual report, Proxy Notice, notice of annual meeting and/or proxy statement to your address for all residents that own shares of common stock in street name. If you wish to revoke your consent to householding, you must contact your broker, bank or other nominee. If you are receiving multiple copies of our annual report, notice of annual meeting and/or proxy statement, you may be able to request householding by contacting your broker, bank or other nominee.

If you wish to request extra copies free of charge of our annual report or proxy statement, please send your request in writing to Easterly Government Properties, Inc., 2101 L Street NW, Suite 650, Washington, D.C. 20037, Attention: Investor Relations or by telephone at (202) 971-9867.

### **Other Matters**

The Board does not know of any matters other than those described in this proxy statement that will be presented for action at the annual meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders.
