2,322,592 Shares

Easterly Government Properties, Inc.

Common Stock

This prospectus supplement supplements and amends the prospectus dated May 3, 2016, as amended by the prospectus supplement dated June 22, 2016, relating to the possible resale, from time to time, by the selling stockholders named in this prospectus supplement of up to 2,322,592 shares of our common stock and the possible issuance of up to 1,712,646 shares of our common stock in exchange for common units of partnership interest, or common units, in Easterly Government Properties LP, our operating partnership, tendered for redemption by one or more of the limited partners pursuant to their contractual rights. The selling stockholders may only offer for sale the common stock issued upon redemption of common units if they exercise their rights to tender their common units for cash, and we exercise our right to issue common stock to them instead of cash. We will not receive any of the proceeds from the issuance of the common stock to the holder or from the resale of the shares by the holders.

You should read this prospectus supplement in conjunction with the prospectus. This prospectus supplement is not complete without, and may not be delivered or used except in conjunction with, the prospectus, including any amendments or supplements to it. This prospectus supplement is qualified by reference to the prospectus, except to the extent that the information provided by this prospectus supplement supplements and amends information contained in the prospectus.

Unless otherwise indicated or the context requires otherwise, in this prospectus supplement and the accompanying prospectus, references to “we,” “our,” “us,” and “our company” refer to Easterly Government Properties, Inc., a Maryland corporation, and its consolidated subsidiaries.

We are providing this prospectus supplement to update the table under the caption “Selling Stockholders,” in the prospectus dated May 3, 2016 (File No. 333-210052), as amended by the prospectus supplement dated June 22, 2016. The following information is based upon information provided to us by the selling stockholders and is accurate to the best of our knowledge as of August 12, 2016.

The “selling stockholders” are the people or entities who may sell shares of our common stock registered pursuant to this prospectus supplement and the accompanying prospectus. Such selling stockholders may currently hold shares of our common stock registered pursuant to this prospectus supplement or may receive shares of our common stock registered pursuant to this prospectus supplement upon exchange of common units tendered for redemption. The following table provides the names of the selling stockholders, the number of shares of our common stock and common units currently owned by such selling stockholders prior to any exchange by them of common units and prior to any resale of shares of our common stock, the maximum number of shares of our common stock offered hereby, the maximum number of shares of our common stock currently issuable to such selling stockholders upon redemption of common units and the aggregate number of shares of our common stock and common units that will be owned by such selling stockholders after the redemption assuming all of the offered shares are sold. Since the selling stockholders may sell all, some or none of their shares, we cannot estimate the aggregate number of shares that the selling stockholders will offer pursuant to this prospectus supplement or that the selling stockholders will own upon completion of the offering to which this prospectus supplement relates.

The selling stockholders named below and their permitted transferees, pledgees, orderes or other successors may from time to time offer the shares of our common stock offered by this prospectus supplement.
